

# The Alcuin Society's 36th Annual Awards for Excellence in Book Design in Canada

## Entry Form Book Design Awards 2017

---

### *Submission*

Send one copy of each title, accompanied by its own completed entry form. Insert an entry form into each book submitted, and include a cheque for the total amount in the same package. Entrants may submit as many books in as many categories as they wish.

Please fill out the forms completely. Type or print clearly. This information will appear in the catalogue and exhibit labels exactly as entered if the book is awarded a prize.

### *Fees*

A fee of \$38.00 for non-members and \$30.00 for Alcuin Society members, per entry, must accompany all submissions. A discount of 15% applies if five or more titles are submitted. Entry fees are not refundable; books submitted are not returned (except limited editions, as discussed in *Limited editions*). A cheque or money order for the total amount, payable to *The Alcuin Society*, must be enclosed. Your cancelled cheque will indicate receipt.

### *Deadline*

All entries must be received by March 1, 2018.

### *Mail or courier submissions to:*

### *Limited editions*

Entries submitted in this category should be printed books in which the quality of craftsmanship, innovation or experimentation is noteworthy. Both letterpress and digital printing qualify. There is no restriction on the number of pages, and they need not be bound. There must be at least three copies produced in one edition for the project to qualify. Books created as student projects will be accepted. Books not meeting the above criteria will not be included in the competition.

All submissions in the limited editions category will be returned to the entrant, with one exception. Should the entrant of a winning book wish to have their book participate in the Frankfurt and Leipzig exhibitions and the international competition in Leipzig, they must agree to donate their book to the Deutsches Buch-Schriftmuseum; due to policy changes by the organizers it is no longer possible for the Stiftung Buchkunst to return the books to Canada.
